Summary of reasons for decision:

This computer image file depicts a girl posed in a manner designed to sexually arouse the viewer. It promotes and supports the exploitation of children or young persons for sexual purposes and is therefore deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). This classification limits the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990, but this is consistent with Parliament's intention that publication falling under s3(2)(a) of the FVPC Act be classified objectionable. The classification is also a reasonable limit on that right in the interest of protecting children and young persons from sexual exploitation.
